CRAB QUEST

An Ocean-Themed Educational Adventure

Adventure | **Ages 8–14** | **6 Chapters** | **Python + Pygame Zero**

Follow a crab's journey home through a polluted ocean — from a kitchen counter to a protected coral sanctuary. Six chapters, each with unique gameplay, teach marine conservation while you play.

CONTROLS: ←/→ or A/D move • SPACE jump • R restart • ENTER level select

THE HERO'S JOURNEY — SIX CHAPTERS

Once upon a time…

THE REEF

A small crab lives among the fish, clams and sea stars of the reef.

One day…

KITCHEN ESCAPE (Chapter 1)

Stranded on a kitchen counter. Jump across 7 platforms to reach the goal at the top right.

Because of that…

BEACH RUN (Chapter 2)

Cross the beach while seabirds dive from above. Survive 30 seconds, then reach the wave.

Because of that…

SEA FLOOR DODGING (Chapter 3)

Plastic trash rains down underwater. Dodge for 10 seconds, then follow the turtle to safety.

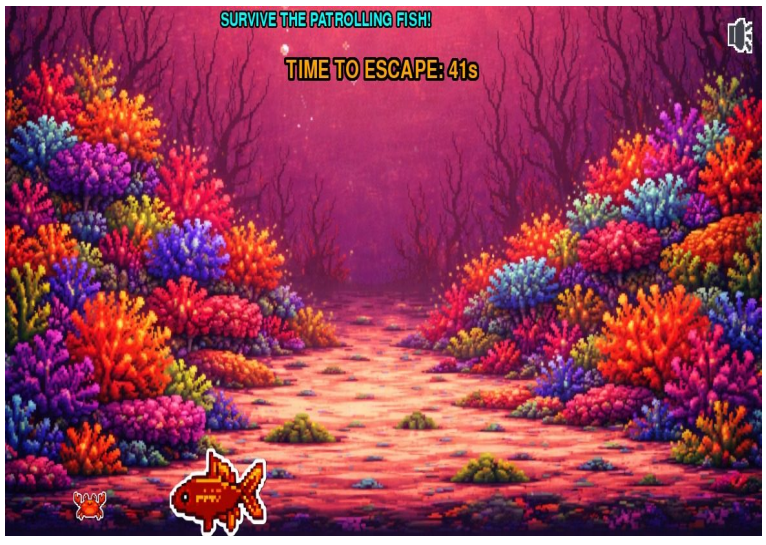

Because of that…

SHRIMP HELP (Chapter 4)

Play as the shrimp: collect all 17 algae in 60 seconds to feed the exhausted crab.

Until finally…

PREDATOR CHASE (Chapter 5)

A red predator fish patrols the reef. Survive the chase for 45 seconds.

And ever since then…

HOME SWEET HOME (Chapter 6)

Run to your family in the protected coral sanctuary. Reunited! You are home.

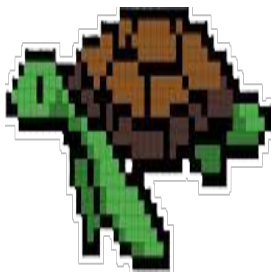

WHO YOU MEET

The Crab

The Shrimp

The Turtle

Seabirds
