INCORRECT USAGE — DO NOT

The following modifications to the logos are prohibited. Always use approved variations.

1. Do not stretch or distort the logo proportions
2. Do not rotate the logo
3. Do not change logo colors (use approved monochrome variations instead)
4. Do not add drop shadows, glows, or other effects
5. Do not place on busy/photographic backgrounds without sufficient contrast
6. Do not use the logo below minimum size (32px digital / 15mm print)
7. Do not violate clear space (minimum 1× logo height on all sides)
8. Do not recreate the logo from scratch — always use provided assets
9. Do not combine with other logos without approved lockup
10. Do not use outdated versions — always reference current assets in this document
